**FROM THE PRINCIPAL'S DESK**

**Explorers Appreciation Week** – This week we celebrate the work done by our amazing Explorers staff. The staff provides childcare before and after school for Deephaven students. They create a fun, engaging, and safe environment for students. We appreciate the hard work they put into their jobs to make sure our students enjoy their time before and after school.

**MCA Testing** Please avoid scheduling appointments for your child(ren) when MCA testing is taking place this spring:

- Math: April 16-18 (Grades 3,4,5)
- Reading: April 23-25 (Grades 3,4,5)
- Science: April 30-May 1 (Grade 5 only) NEW DATES!

**No Stopping on the Bridge** – Stopping on the bridge as you head south on Vine Hill Road is not allowed and blocks the view of oncoming traffic. The police monitor the bridge and will ticket cars that stop on it. If you arrive and traffic is backed up, please continue driving forward on Vine Hill and find your way back to the end of the line. The line will most likely be shorter when you return, and you will be able to stack along the side of Vine Hill Road in front of the school.

**Kindness Week** is next week at Deephaven. Students will be engaged in completing kindness challenges, creating kindness chains to acknowledge acts of kindness, writing kind messages with chalk on our playground, and watching a movie on Friday with a message of kindness. Thank you to our PTA for supporting this important week at our school.

**Deephaven Elementary Annual Student Art Exhibition** - You are invited to attend The Deephaven Elementary Annual Student Art Exhibition on **Thursday, April 25th from 5:00 - 7:00 PM.**

Each year we celebrate the efforts and accomplishments of Deephaven Elementary artists by displaying their art in the school hallways. Every Deephaven art student will have one work of art on display. Come and enjoy the art, make a craft to take home, and leave compliments for your favorite artworks.

**E-Bikes are not permitted on school grounds** - Minnesota Statute 169.222 states that children must be 15 years old to ride an e-bike.

### **Cell Phone and Personal Electronic Devices**

As a reminder, Deephaven is a cell-phone free educational environment. We strive to create an optimum learning environment with limited distractions and a focus on engagement and connection. Our guidelines are as follows:

1. PED (Personal Electronic Devices) includes cell phones, earbuds/earphones, laptops, watches with input capability, audio recorder, etc.
2. PEDs are to be completely out of sight from 7:45 a.m. to 2:45 p.m.
3. If a student has a PED, it must be stored in a student locker or backpack.
4. Families can contact students at any time by calling the main office at 952-401-6900.
5. Contact Mr. McGinley if your family has a unique situation like a medical emergency and would like to discuss an exception.
