RIDER OVERVIEW

Whether it's as a business partner or a rider, there are a number of ways to get involved with Tour de Tonka this year. Below is an overview of who our riders are and how you can become a part of the Tour de Tonka team!

- Tour de Tonka celebrates over **2,500** riders per year. Since 2006, our riders have represented **73** of the **87** Minnesota Counties, and **44** States. *Minnesota's Ride!*
- Riders ranged in age from **1** to **89**, with **60%** of riders being between the ages of **40-69**.
- Generally, **70%** of riders are male, **30%** are female.
- **53** Legacy Riders remain. In year two we started tracking, rewarding and acknowledging the Tour de Tonka riders who have ridden each year since 2006.
- **80%** of riders said they participate in Tour de Tonka because they are interested in exercise and physical fitness.

Rest Stop Host

Rest Stop hosts are businesses and organizations who provide the enthusiastic and helpful volunteers to staff the rest stops. We provide t-shirts for all the volunteers, as well as the food and supplies needed to host a first-rate rest stop — including bike mechanics and live music! As a host, you and your team will prepare food and beverages, cheer on the riders, and direct them into the rest stop and back onto the route as they leave.

As a rest stop host, you may advertise your company with banners or posters at the rest stop. In addition, you will be included on the sponsors banners at the start and finish line, listed on our website, given social media shout outs and included in the information given to each rider in their virtual packet.

Interested in sponsoring a rest stop? Please contact Nikki Koestler: Nicole.Koestler@minnetonkaschools.org, 952-401-6827.

Volunteer

Whether it's guarding a corner, serving as a route captain, or helping with registration and parking, Tour de Tonka volunteers are what make this great event possible. Last year, over 600 people volunteered and we're hoping to continue the success this year!

Interested in volunteering? Please contact Lauren Riedel: Lauren.Riedel@minnetonkaschools.org, 952-401-4157.
